**POLICY INTENT - PLEASE READ CAREFULLY**

A collector policy is designed specifically for collectible autos, not for autos that are driven daily. Every driver insured by this policy must own another vehicle that he/she uses as his/her principal means of transportation. In no event will any vehicle specifically insured by this policy be used as a principal means of transportation by anyone. Underwriting requires that every vehicle insured under collector policy be used for occasional pleasure use only. This means, in part, that any auto insured under this policy is to be used only in activities related to participation in auto exhibitions, auto club activities, and leisure/pleasure drives. The vehicle must not be driven at a facility designed for racing, when practicing or testing for pre-arranged races, speed contests, time trials, driver's education, or on-track events.

However, we have made an exception for participation in auto shows held at such a facility only if the show involves no driving of your vehicle and no other vehicles are driving in the facility during the show. Every auto insured must be driven no more than the annual mileage option selected, unless a Trip Extension Endorsement is purchased prior to additional use. Every auto must also be kept in a locked garage when not in use. **This is intended only as a general overview of your coverage, and in no way replaces or modifies any policy provisions or terms. For coverage details, please read your policy carefully.**

**Fraud Warning** It is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Penalties may include imprisonment, fines, denial of benefits, and may subject you to civil damages.

(If you are signing this application in AR, CO, D.C., FL, HI, KY, LA, ME, NJ, NM, NY, OR, PA, TN or VA, please see below for the fraud language required in your state.)

**INSURED STATEMENT** - I understand that the company will order a copy of the driving records for all operators and certify that permission to do so is hereby granted. I understand that the company is relying on the accuracy and truthfulness of the information I have provided in this application as an inducement to issuing the policy to me. I have selected the mileage plan appropriate for me. I hereby declare that all the information and statements above are true and complete and no material information has been withheld.
